## **INFINITY**

*Design Chiaramonte Marin Studio / 2021*

Create an object that has no limits,  
that cannot have a conclusion because  
precisely, without end.

Infinity, is definitely the contemporary  
and timeless tripod light, as an object of  
our life that has no need to be reinvented.

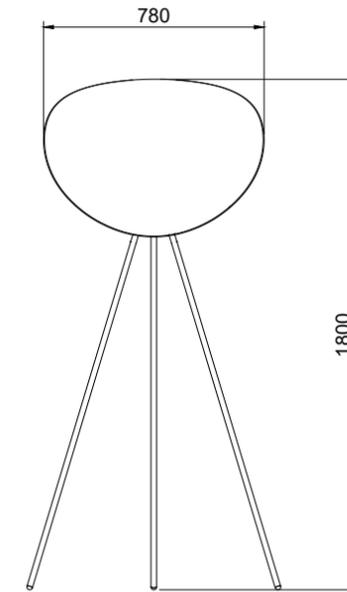

Infinity has a base that comes in brushed gold or bronze and galvanic black. The head, with special diffuser, may light in front, as lighting up for special atmosphere.
